THE BMW M2 COMPETITION.

Truly M to its core – the first ever BMW M2 Competition embodies absolute sportiness and uncompromising driving pleasure that has to be experienced to be believed. Combining distinctive M design with improved dynamics and racetrack credentials, the BMW M2 Competition captures motor racing heritage the way only M knows how. The powerful M Bi-TwinPower Turbo six-cylinder in-line petrol engine, driving the rear wheels via the optional seven-speed M Double Clutch Transmission, accelerates the vehicle from 0-62mph in just 4.2 seconds.

The updated exterior design features a redesigned front apron with enlarged air intakes and M door mirrors in twin-stalk style, demonstrating the authentic M character. In the interior, the M Sport seats with illuminated M2 badging not only provide perfect ergonomics but also underscore the driver-oriented cockpit. With the latest ConnectedDrive technologies and BMW Professional Navigation system, included as standard, the BMW M2 Competition delivers an unprecedented driving experience.

BMW EFFICIENT DYNAMICS.

You can additionally arrange for the remaining Services to be deactivated via “My BMW ConnectedDrive”.

If the vehicle is equipped with the legally required EU Emergency Call (as from April 2018) a deactivation of the BMW ConnectedDrive basic services will not deactivate the vehicle’s built-in SIM card. It has to remain active, so that the EU Emergency Call is functional all the time.
